

What we expect from you:

- ❖ **No** foul or abusive language.
- ❖ Absolutely **no** alcohol on facility grounds.
- ❖ We expect a positive attitude that welcomes learning from your trainer- we pride ourselves on having great trainers that are here to help you. Please keep an open mind and be willing to work with them and your canine. Anyone showing abusive or threatening behavior towards canines or people will be asked to leave immediately and will not be allowed re-entry at any time.
- ❖ Please arrive early to class and give your canine time to potty outside. Please maintain a distinguishable distance from the outside kennels of Granny Rose Animal Shelter, as some fosters may have canine aggression or fear issues and we want to keep their current home as comfortable for them as possible. Please clean up after your canine both inside and outside. Ask a trainer if you have questions.
- ❖ Maintain control of your canine at all times. Canines must always be on a leash unless specifically directed by a trainer. We do not allow Flexi-Leads.
- ❖ Use “soft” treats only (non-crunchy variety). Mozzarella string cheese and hot dogs cut into small chunks work great for training.
- ❖ Please bring your own water bowl, especially in warmer months.
- ❖ If you need to kennel your canine (specifically for agility classes) please bring your own kennel. There are only a few available at the facility and they are on a first come-first serve basis.
- ❖ All participants must sign a release form before participating in any event.
- ❖ Children not working with a canine in class are allowed at the facility as long as they can sit quietly on their own during training.
- ❖ Absolutely **no** bite training or bite behavior of any kind is allowed on any Granny Rose Properties. This will result in immediate dismissal for current and future events.
- ❖ Any aggression issues towards canines or people needs to be disclosed to staff at the time of registration. We are more than happy to try to help you address these issues the best we can. However, safety for our staff, patrons, canines, your canine and yourself are our number one priority. Evaluations of temperamental canines may be used to help you find the best course of action for your canine. Failure to disclose this information or to follow trainer instructions can result in immediate dismissal from Granny Rose events, or events held on Granny Rose property.
- ❖ Any violation of the above expectations will result in your immediate dismissal from the building, classes, and the property grounds. The decision of the instructor and/or management will be final.
